Dear Mr. Clarkson,

Please forgive the delay in advising you of my travel plans. As things now stand, my wife and I will be arriving at Chatham Airport (via Newport Aero) at approximately 5:00 PM on the 28th. In case of fog, we will drive up and again plan to arrive at 5:00.

I would appreciate your sending me an up-date list of conference attendees. This would be a tremendous help to me.

Thanks so much for your assistance. Warm regards.

Yours,

STANSFIELD TURNER
